

FOODSERVICE SUPPLY

Commercial Kitchen Headquarters
For Your Back to School Needs!!

CALL: 352-3556

If there's one thing KECresco knows, it's how to help C-U restaurants, bars, foodservice and housing directors get ready for the returning students. That's because our team had been doing it from the University Ave storefront since 1952. Now we're in a new location with a new name, ramped-up inventory and experts on staff to meet your back to school needs...

- 1 Warehouse showroom full of smallwares including glassware, flatware and china for various serving needs.
- 2 FREE local delivery for orders of any size
- 3 Bulk orders palletized, shrink wrapped and prepped for loading into your delivery vehicle for your convenience.
- 4 The area's most knowledgeable experts recommending the best solution for your outdated or inefficient equipment. Special orders available with professional delivery guaranteed.
- 5 In stock plumbing parts, bathroom accessories, LED lighting, replacement bulbs, waste collection and other non-standard supplies.
- 6 Replacement gaskets for almost all lines of commercial refrigeration at a fraction of the cost of the manufacturer or service reps.

Health Inspection Survival Kit

Stay proactive about foodsafety!

There is NEVER a good time for your restaurant to be closed or to receive a low score.

KECresco wants to be proactive about food safety and help you combat some of the most common violations with the Health Inspection Survival Kit. This kit contains our following:

- 1. Sanitizer tablets
- 2. Hair nets
- 3. Latex-free gloves
- 4. Hand & nail brush kit
- 5. Electronic timer
- 6. Food rotation labels
- 7. Ammonia test strips
- 8. Digital thermometer
- 9. Hanging walk-in thermometer

KECdesign is familiar with CUPHD codes and can aid in key design decisions to help get your new or remodeled restaurant open on time!
